The a cappella choir was formed in 1954. It is an organization restricted to the finest singers. The purpose is to provide an opportunity of learning and singing the finest choral music available. A tremendous cross-section of music is practiced, and a minimum of five performances are given each semester. The choir performs traditionally at the graduation as a salute to the graduates. On a voluntary basis the choir provided a subsidiary group which went on a tour during the Christmas season. The size of the group has varied from 50 to 120 members over the years.
